

MESSAGE FROM THE FIRE CHIEF

Chief Dan Pierre

Hello and welcome to the Grayslake Fire District's website!

We hope that you find our site informative and easy to navigate.

From our humble beginnings as an all-volunteer department in 1899, the Fire District has grown into a highly-trained, full-time career fire department serving from three modern fire stations. In 2027, we look forward to celebrating our 50th anniversary as a fire protection district.

We take pride in delivering comprehensive emergency and public safety services to more than 37,000 residents and local businesses with an ISO class 3 rating. Our core services include emergency medical response, fire suppression, specialized rescue, fire/life safety education, code enforcement, and fire prevention. We are honored to serve the Village of Grayslake, Hainesville, Wildwood, Gages Lake, Third Lake, Highland Lake, Fremont Township, unincorporated Lake County, and portions of Round Lake, Round Lake Park, and Round Lake Beach.

Our mission is to protect and serve our communities with exceptional service through proactive fire prevention, thorough preparedness, and professional emergency response.

If you have any questions or cannot find the information you need, please do not hesitate to contact me.
